

REMARKS

During the recent discussion with the Examiner who has charge of this application, it was determined that this application would be placed in condition for allowance, if limitations of claim 30 were added to claim 29.

This is done herewith, and claim 30 is canceled and the dependency of the remaining claims appropriately changed, thereby to place the application in condition for allowance.

Passage to issue is respectfully requested.

Thus, the amendment of July 25 should not be entered but the present amendment should be, because it places the case in condition for allowance.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
